

City of Independence

Consider Approval to Allow Existing Home to be Moved into the City

To: City Council
From: Mark Kaltsas, City Administrator
Meeting Date: March 22, 2016

Discussion:

The City Council has historically been asked to review and consider approval of any existing homes which are proposed to be moved into the City of Independence. The City has been notified by a land owner of their desire to move a home from Delano onto the vacant property located on the west side of Town Line Road and just north of the railroad tracks (see image below).

The City's Building Official has visited the existing home and determined that it is in a condition which would allow it to be moved into the City (see attached report).

Requested Action:

City Council can consider the request to move a house onto the property identified PID No. 01-118-24-41-0012.
