Dear Chief Kroells,

Parking Plan:

Figuring 160+ people end up RSVP'ing so divide by 4 = approx. 40 cars total.

(20) can fit in our driveway and front yard (it's a lot of class 5 and we park there now....)

The other (20) could fit on either side of Independence Road right at our house (but avoiding parking on that sharp curve – too dangerous) and heading west towards the stop sign. We lease the land across the street from the landowner, Mr. Phil Lenox . I hope that serves as permission to park along his part.

Thanks!
