

City of Independence

2016 Local Board of Appeal and Equalization

To: City Council
From: Mark Kaltsas, City Planner
Meeting Date: January 12, 2016

Request:

Council is required to hold an annual Local Board of Appeal and Equalization meeting. In prior years the City has hosted this meeting during the first couple of weeks of April. It has been recommended by the Assistant County Assessor's office to hold this Tuesday, April 12. Staff is seeking direction from the City Council relating to the time for the meeting, and approval of the date. It is recommended that the City Council consider hosting the meeting prior to the regularly scheduled City Council Meeting to be held on Tuesday, April 12, 2016. The meeting could be set for 7:00pm to allow time prior to the meeting.

Recommendation:

Staff is seeking consideration/approval of the date and time proposed or direction for an alternate time and date.
