Hi Bruce.

A level 3 bullet resistant sliding window would run you about \$7750 installed. There is also a level 1 window available which would be cheaper, but I do not have pricing on that. Let me know if you need a formal proposal written up.

Thank you,

Hi Bruce.

I got your voicemail yesterday. I sent in a quote request and am waiting to get pricing back. I will let you know as soon as I get it.

Thanks,

Jason,

Just a note to see if you received the window picture and dimensions?
